### Coordinators to Aid Youngsters Attending Camps

To encourage summer camp attendance by Torrance youngsters, the Coordinating Council will distribute more than \$250 to members of local youth organizations.

The Council's character building committee, headed by Rev. Thomas R. Marshall, will receive applications and allot funds to both individuals and organizations, it is understood. Only camps operated by character building agencies, such as the Boy Scouts, Y.M.C.A., Y.W.C.A., and church groups will be approved.

Judge Robert Lessing, president of the Council, said there is a possibility that additional camp funds may be made available if needed.

### "Magic Bullet" at the Plaza

"The Story of Dr. Ehrlich's Magic Bullet," which is now showing at the Plaza theatre in Hawthorne is one of the few motion pictures to come out of Hollywood in which boy doesn't meet girl. Starring Edward G. Robinson, the film tells the true and dramatic story of man's struggle against a hundred million deadly public enemies. It is the romance of reality rather than of the boy-girl variety which makes "The Story of Dr. Ehrlich's Magic Bullet" spell-binding entertainment.

Shattering every precedent for dramatic production, Warner Bros., the producers, have told the true story of a great man's life, its romance, its adventures and its many trials.

### Heart Attack Fatal to Man at Brick Yard in N. Torrance

While walking about the Star Brick Company's yard on West corner avenue north of 182nd street, Frank Enkosky, 53, of 8905 South Hoover, suddenly collapsed and died of a heart attack Monday morning. The fire department inhalator squad was called and worked over him for 10 minutes without success. Mr. Enkosky was employed at the brick yard but was not working at the time, having suffered an attack three weeks ago. He was survived by his wife and two sons.
